All connections are traditional "mortise and tenon" pegged joinery. Dimensions are 12' x 16' and includes a floor system and large horizontal beams for an upper loft. Made of locally harvested and milled wood. A great frame for a cabin, garden shed, art studio, outdoor pavilion. As a workshop project, this frame is being sold at the discounted price of \$7800.00 FOB Colorado State University Mountain Campus. Frame will be available late August to early September, 2020. Photos of finished frames and references from previous workshop frame buyers are available.
